All matters and questions not covered by these regulations are subject to the sole and absolute discretion of the ATA.

ELIGIBILITY FOR PARTICIPATION

The ATA determines the eligibility of all companies and/or products intended for exhibition at the ATA Trade Show. Until an Exhibitor's application has been approved by the ATA, no rights to exhibit are granted. All members' standing will be determined by the ATA in accordance with its bylaws and operating procedures and will include members' obligations for advertising, promotion and/or sponsorship in any Trade Show related electronic or print publication(s).

ASSIGNMENT OF BOOTH SPACE

A ranking system is used to determine the order of booth selection. Points are awarded for years of ATA membership and the amount of booth space, shooting lanes, and sponsorships purchased at the show. Exhibitors missing one show lose 50% of their accumulated points; and, Exhibitors missing two consecutive shows lose all of their accumulated points. ATA reserves the right to modify the floor plan to accommodate space sales or relocate Exhibitors to avoid conflict, as necessary. In all instances, ATA reserves the right to determine final placement of the Exhibitor.
