5. How are applicant projects selected and approved?

Once the application deadline has passed, the grant committee will review and recommend applicants to interview. Interview results will determine approved grant recipients. The amount of funding that qualifying applicants may be awarded shall be at the sole discretion of ATA. ATA's award decisions are final and non-reviewable.

6. Can a non-ATA member apply?

Yes. However, if they're approved for funding, they must become and retain a current ATA membership.

7. Why do I need to submit a business plan?

Having a detailed, well thought out plan is the first step in ensuring that your range facility or archery program is successful. All candidates will be asked to complete a one-page business plan summary for the range and/or program in which ATA funding will be used. Businesses or organizations who are applying for the grant but have not yet established their operation may be asked to complete a full business plan as part of the review process.

8. What is the deadline to apply?

All applications and required documents must be submitted no later than 11:59 p.m. EST on Dec. 1, 2019.

9. Will I be notified when the grants are awarded?

All applicants will be notified of results by April 15, 2020.

10. When will I receive my first grant installment?

If you're selected as a grant recipient, grant installments will begin late-Spring 2020. *Please note: This is subject to change.*

11. How much funding is available?

The Archery Trade Association determines how much money is available each year. Funding is subject to availability.

12. Will I have to pay taxes if I am awarded a grant?

If you are a for-profit business, you will have to report the grant as income to the IRS and may be subject to tax.

The Archery Trade Association reserves the right to suspend and/or terminate the Grant Program, adjust the total amount of funding available under the Program and correct any errors made in awarding Program funds, at any time.
