1 Log in to the ATA Resource Site by entering your user name (email address) and password and clicking the "Log In" button.

2 Click "Downloads" on the menu bar to view the various resources available categorized by group type or search for a specific resource using the search box.

   Once you've found the resource you would like to download, click on the thumbnail OR click on the word "DOWNLOAD" located below the image.

3 A pop-up window will open. You can click "CLICK TO SEE GALLERY" to view more information or additional images that correspond with the specific resources OR click "DOWNLOAD" to download the resource. It will download to your computer’s "Downloads" folder.
