RESOURCES SITE: GETTING STARTED

1. To gain initial access to the ATA Resource Site, visit resources.archerytrade.org and click the “Request Access” button.

2. Complete the form with your first and last name and email address. Then select your group member type and state from the drop-down menus.

   Click the “Request Access” button.

3. Once you have been granted access, you will receive an email with your temporary log in information.

4. Access the ATA Resource Site using the link provided to you via email. You will be prompted to create a new password.

   Then you can take advantage of the many resources offered to you by the ATA and begin downloading the helpful materials.
